\*This is the price before trade discount.

## The advantages at a glance:

- + High quality look - current and contemporary  
Fits any room and makes your locker unmistakable
- + Exchangeable core cylinder, subsequent exchange, keyed alike - everything is possible
- + Mechanism „Just press to close“ allows clean closing of the locker despite full hands
- + in the same design you can use PIN code or transponder instead of key
- + full-fledged electronic offline lock
